PUBLIC PROMISE PROCUREMENT REPRESENTATIONS AND CONVENANTS

A. Overview

Public Promise Procurement (hereinafter, “P.P.P.”) is a National Association of Counties (hereinafter, “NACo”) program to help Participating Public Agencies acquire Goods and Services efficiently and cost effectively through strategic sourcing that harnesses the power of state and local government purchasing nationwide. This is accomplished through an award of competitively solicited contracts for high quality products and services by a well-respected public agency (hereinafter, “Lead Public Agency” or “LPA”). The contracts are available for use by the Lead Public Agency and, also, by other Participating Public Agencies.

NACo is a non-profit membership organization that represents 40,000 county elected officials and 3.6 million county staff. Learn more about [NACo here](#).

C. Procurement Advisory Committee

5. That a procuring party will make timely payments to the Supplier for Products and Services received in accordance with the terms and conditions of the procurement. Payment, inspections and acceptance of Products and Services ordered by the procuring party shall be the exclusive obligations of such procuring party. Disputes between

9. This agreement shall remain in effect until termination by a party giving 30 days written notice to Public Promise Procurement at The National Association of Counties Office at 660 North Capital Street, NW, Suite 400, Washington, DC 20016.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, P.P.P. and Supplier hereby agree as follows:

ARTICLE 1

GENERAL TERMS AND CONDITIONS

1.1 The Master Agreement, attached hereto as Exhibit A and incorporated herein by reference as though fully set forth herein, and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement.

1.2 P.P.P. shall be afforded all of the rights, privileges and indemnifications afforded to Lead Public Agency under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to P.P.P. under this Agreement

including, without limitation, Supplier's obligation to provide insurance and indemnifications to Lead Public Agency.

1.3 Supplier shall perform all duties, responsibilities and obligations required under the Master Agreement.

1.4 P.P.P. shall perform all of its duties, responsibilities and obligations as administrator of purchases under the Master Agreement as set forth herein, and Supplier acknowledges that P.P.P. shall act in the capacity of administrator of purchases under the Master Agreement.

1.5 Each of Supplier and P.P.P. hereby grant to the other, during the term of this Agreement, a limited, revocable, non-exclusive, non-transferable, non-sublicensable right to use such party's name, trademark and logo solely to perform its obligations under this Agreement and the Master Agreement. Each party shall provide the other party with the standard terms of use of such party's name, trademark and logo, and such party shall comply with such terms in all material respects. Each party shall assist the other party by providing camera-ready logos and by participating in related trade shows and conferences. Both parties shall obtain approval from the other party prior to use of such party's name, trademark and logo. Notwithstanding the foregoing, the parties understand and agree that except as provided herein neither party shall have any right, title or interest in the other party's name, trademark and logo. Upon termination of this Agreement, each party shall immediately cease use of the other party's name, trademark and logo.

1.6 With respect to any purchases made by Lead Public Agency or any Participating Public Agency pursuant to the Master Agreement, P.P.P (a) shall not be construed as a dealer, re-marketer, representative, partner, or agent of any type of Supplier, Lead Public Agency or such Participating Public Agency, (b) shall not be obligated, liable or responsible (i) for any orders made by Lead Public Agency, any Participating Public Agency or any employee of Lead Public Agency or a Participating Public Agency under the Master Agreement, or (ii) for any payments required to be made with respect to such order, and (c) shall not be obligated, liable or responsible for any failure by a Participating Public Agency to (i) comply with procedures or requirements of any federal, state, local or foreign constitution, treaty, statute, ordinance, code, rule, law or regulation ("Law"), industry self-regulatory standards that may apply to Supplier or the Master Agreement, or (ii) obtain the due authorization and approval necessary to purchase under the Master Agreement. P.P.P makes no representations or guarantees with respect to any minimum purchases required to be made by Lead Public Agency, any Participating Public Agency, or any employee of Lead Public Agency or a Participating Public Agency under the Master Agreement. The terms of this section shall survive the termination of this Agreement.

1.7 Supplier acknowledges that, in connection with its access to P.P.P. confidential information and/or supply of data to P.P.P., it has complied with and shall continue to comply with all Law and industry self-regulatory standards that may apply to Supplier, including, without limitation Law and industry self-regulatory standards governing data protection, privacy and the use and processing of Personal Information (collectively, "Data Regulations"). With regard to Personal Information that Supplier collects, receives, or otherwise processes under the Agreement or otherwise in connection with performance of the Agreement, Supplier agrees that

it will not: (i) sell, rent, release, disclose, disseminate, make available, transfer, or otherwise communicate orally, in writing, or by electronic or other means, such Personal Information to another business or third party for monetary or other valuable consideration; or (ii) retain, use, or disclose such Personal Information outside of the direct business relationship between Supplier and P.P.P. or for any purpose other than for the specific purpose of performance of the Agreement, including retaining, using, or disclosing such Personal Information for a commercial purpose other than for performance of the Agreement. By entering into the Agreement, Supplier certifies that it understands the specific restrictions contained in this Section 1.6 and will comply with them. For purposes hereof, “Personal Information” means information that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular consumer or household, and includes the specific elements of “personal information” or “individually identifiable information” as defined under Data Regulations. Supplier will reasonably assist P.P.P. in timely responding to any third party “request to know” or “request to delete” (as defined pursuant to Data Regulations) and will promptly provide P.P.P. with information reasonably necessary for P.P.P. to respond to such requests. Where Supplier collects Personal Information directly from Public Agencies or others on P.P.P.’s behalf, Supplier will maintain records and the means necessary to enable P.P.P. to respond to such requests to know and requests to delete.]

ARTICLE 2

TERM OF AGREEMENT

2.1 This Agreement shall terminate upon termination of the Master Agreement or any earlier termination in accordance with the terms of this Agreement, provided, however, that (i) (A) the obligation to pay all amounts owed by Supplier to P.P.P. through the termination of this Agreement, and (B) all indemnifications afforded by Supplier to P.P.P. pursuant to Section 6.1, shall survive the termination of this Agreement, and (ii) Sections 1.5, 4.1 and 7.10 shall survive the term of this Agreement pursuant to the terms of such sections. [Upon termination of the Master Agreement for any reason, Supplier shall continue making payments of all amounts to P.P.P. that are generated by individual Participating Public Agency purchases of Products, Services and Solutions for a period of either (i) one (1) year from the date of termination, or (ii) through the then current expiration date of the Master Agreement, whichever is shorter, to the extent that Supplier continues to generate revenue from each Participating Public Agency’s purchase of Products, Services and Solutions following the termination of the Master Agreement.]

ARTICLE 3

REPRESENTATIONS AND COVENANTS

P.P.P. views the relationship with the Supplier as an opportunity to provide benefits to the Lead Public Agency, Public Agencies and Supplier. The successful foundation of the relationship requires certain representations and covenants from both P.P.P. and the Supplier.

3.1 P.P.P. Representations and Covenants.

(a) Marketing. P.P.P. shall proactively market the Master Agreement to Public Agencies using resources such as a network of major sponsors, including the National Association of Counties (“NACo”), and named individual national, regional and state-level sponsors. P.P.P. will incorporate information about the Products, Services and Solutions into P.P.P.’s website and general collateral materials. In addition, P.P.P. staff shall make commercially reasonable efforts to enhance Supplier’s marketing efforts through meetings with Public Agencies, participation in key events and tradeshows and other marketing activities such as webinars, speaking engagement, advertising, social media, articles and promotional campaigns.

(b) Training and Educational Management Support. P.P.P. shall provide support for the education, training and engagement of Supplier’s sales force as provided herein. Through its staff (each, a “Program Manager” and collectively, the “Program Managers”), P.P.P. may help with scheduling assistance from Supplier, conduct training sessions and conduct educational calls jointly with Supplier to Public Agencies. P.P.P. shall also provide Supplier with presentations, documents and information to assist Supplier’s sales force in effectively promoting the Master Agreement.

WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, P.P.P. EXPRESSLY DISCLAIMS ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES REGARDING P.P.P.’S PERFORMANCE AS A PROGRAM ADMINISTRATOR OF THE MASTER AGREEMENT. P.P.P. SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF P.P.P. IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

3.2 Supplier’s Representations and Covenants. Supplier hereby represents and covenants as follows in order to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies (such representations and covenants are sometimes referred to as “Supplier’s Commitments” and are comprised of the Corporate Commitment, Pricing Commitment, and Sales Commitment):

(a) Corporate Commitment.

(i) The pricing, terms and conditions of the Master Agreement shall, at all times, be a Supplier’s contractual offering of Products, Services, and Solutions to Public Agencies. All of Supplier’s direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is a Supplier’s offering.

(ii) Supplier’s sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products, Services and Solutions to Public Agencies.

(iii) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(iv) Upon request and authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(v) Supplier shall ensure that the P.P.P. program and the Master Agreement are actively supported by Supplier's senior executive management.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier's Commitments are maintained at all times. Supplier shall also designate a contact person who shall be responsible for receiving communications from P.P.P. concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier's staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a Supplier-based internet web page (micro-site) dedicated to Supplier's P.P.P. program and linked to P.P.P.'s website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that Supplier's National/Senior Management fully supports the P.P.P. program and its commitments and requirements. For purposes hereof, Supplier's National/Senior Management is defined as Supplier's executive officers.

(b) Pricing Commitment.

(i) Supplier represents to P.P.P. that the pricing offered under the Master Agreement is equal to or lower than the lowest overall available pricing (net to the buyer) on Products, Services and Solutions that it offers to Public Agencies in current market conditions. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products, Services and Solutions.

(ii) Contracts Offering Lower Prices. If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. The contract was awarded under the same or similar market conditions as currently exist. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the regional cooperative members, some of whom are Public Agencies. The contract was awarded under the same or similar market conditions as currently exist. Supplier would be required to match the lower cooperative pricing

under the Master Agreement and make it available to all Public Agencies that are regional cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. The contract was awarded under the same or similar market conditions as currently exist. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) Deviating Buying Patterns. Occasionally P.P.P. and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) Supplier's Options in Responding to a Third Party Procurement Solicitation. While it is the objective of P.P.P. to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, P.P.P. recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.2, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement

and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) Sales Commitment. Supplier shall proactively market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement to Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) Supplier Sales. Supplier shall be responsible for proactive sales of Supplier's Products, Services and Solutions to Public Agencies and the timely follow-up to sales leads identified by P.P.P. Use of product catalogs, targeted advertising, social media, online marketing and other sales initiatives are encouraged. All of Supplier's sales materials targeted towards Public Agencies shall include the P.P.P. logo. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the Supplier's best overall pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) Branding and Logo Compliance. Supplier shall be responsible for complying with the P.P.P. branding and logo standards and guidelines. Prior to use by Supplier, all P.P.P. related marketing material must be submitted to P.P.P. for review and approval.

(iii) Sales Force Training. Supplier shall train its national sales force on the Master Agreement and P.P.P. program. P.P.P. shall be available to train on a national, regional or local level and generally assist with the education of sales personnel.

(iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:

(A) A dedicated P.P.P. internet web-based homepage that is accessible from Supplier's homepage or main menu navigation containing:

- (1) P.P.P. standard logo;
- (2) Copy of original procurement solicitation;
- (3) Copy of Master Agreement including any amendments;
- (4) Summary of Products, Services and Solutions pricing;
- (5) Electronic link to P.P.P.'s online registration page;
and
- (6) Other promotional material as requested by P.P.P

(A) A dedicated email address for general inquiries in the following format: PPP@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed P.P.P.'s online registration process prior to processing the Public Agency's first sales order.

(vi) Supplier's Performance Review. Upon request by P.P.P., Supplier shall participate in a performance review meeting with P.P.P. to evaluate Supplier's performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to P.P.P. (collectively, "Supplier Content") for use on P.P.P. websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to P.P.P. and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publicly perform, publicly display, and use Supplier Content in connection with P.P.P. websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated here under; and (b) the use of Supplier Content and any other materials or services provided to P.P.P. as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party. Notwithstanding the foregoing, P.P.P. shall not have any right, title, or interest in Supplier's Content. Upon termination of this Agreement, P.P.P. shall immediately cease use of Supplier's Content.

3.3 Breach of Supplier's Representations and Covenants. The representations and covenants set forth in this Agreement are the foundation of the relationship between P.P.P. and Supplier. If Supplier is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Agreement, Supplier shall have ninety (90) days from the notice of default to cure such violation or non-compliance and, if Supplier fails to cure such violation or non-compliance within such notice period, it shall be deemed a cause for immediate termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at P.P.P.'s sole discretion.

ARTICLE 4

PRICING AUDITS

4.1 P.P.P. shall have the authority to conduct random audits of Supplier's pricing that is offered to Participating Public Agencies at P.P.P.'s sole cost and expense. Notwithstanding the foregoing, in the event that P.P.P. is made aware of any pricing being offered to three (3) or more Participating Public Agencies that is materially inconsistent with the pricing under the Master Agreement, P.P.P. shall have the ability to conduct a reasonable audit of Supplier's pricing at Supplier's sole cost and expense during regular business hours upon reasonable notice. P.P.P. may conduct audits internally or may engage a third-party auditing firm on a non-contingent basis. In the event of an audit, the requested materials shall be provided in the format and at the location where kept in the ordinary course of business by Supplier.

ARTICLE 5

FEES & REPORTING

5.1 Administrative Fees. Supplier shall pay to P.P.P. a monthly administrative fee based upon the total sales price of purchases shipped and billed pursuant to the Master Agreement, excluding taxes, in the amount of 2% of aggregate purchases made during each calendar month (individually and collectively, "Administrative Fees") for all new eligible accounts from and date of contract award and 1% for all existing accounts. All Administrative Fees shall be payable in U.S. dollars and shall be made by wire to P.P.P., or its designee or trustee as may be directed in writing by P.P.P.. Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month for purchases shipped and billed during such calendar month. P.P.P. agrees to pay to Lead Public Agency a percentage of all Administrative Fees received from Supplier to help offset Lead Public Agency's costs incurred in connection with managing the Master Agreement nationally.

5.2 Sales Reports. Within thirty (30) days of the end of each calendar month, Supplier shall deliver to P.P.P. an electronic accounting report, in the format prescribed by Exhibit B attached hereto, summarizing all purchases made under the Master Agreement during such calendar month ("Sales Report"). AJI purchases indicated in the Sales Report shall be denominated in U.S. dollars. All purchases shipped and billed pursuant to the Master Agreement for the applicable calendar month shall be included in the Sales Report. Submitted reports shall be verified by P.P.P. against its registration database. Any data that is inconsistent with the registration database shall be changed prior to processing. P.P.P. reserves the right upon reasonable advance notice to Supplier to change the prescribed report format to accommodate the distribution of the Administrative Fees to its program sponsors and state associations.

5.3 Exception Reporting/Sales Reports Audits. Supplier shall, at Suppliers sole expense, maintain an accounting of all purchases made by Lead Public Agency and Participating Public Agencies under the Master Agreement. P.P.P. or its designee may, at its sole discretion, compare Supplier's Sales Reports with Participating Public Agency records or other sales analysis performed by Participating Public Agencies, sponsors, advisory board members or P.P.P. staff. If there is a material discrepancy between the Sales Report and such records or sales analysis resulting in an underreporting of purchases and underpayment of Administrative Fees as determined by P.P.P., P.P.P. shall notify Supplier in writing and Supplier shall have thirty (30) days from the date of such notice to resolve the discrepancy to P.P.P.'s reasonable satisfaction. Upon resolution of the discrepancy, Supplier shall remit payment of any additional agreed-upon Administrative Fees, together with interest thereon in accordance with Section 5.5, to P.P.P. within fifteen (15) calendar days. Any questions regarding an exception report should be directed to P.P.P. in writing to [reporting@\[ppp\].org](mailto:reporting@[ppp].org). If Supplier does not resolve the discrepancy to P.P.P.'s reasonable satisfaction within thirty (30) days, P.P.P. shall have the right to engage a third party to conduct an independent audit of Supplier's Sales Reports. Supplier shall solely be responsible for the cost of the audit. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by P.P.P. at the location designated by P.P.P. In the event an underreporting of purchases and a resulting underpayment of Administrative Fees is revealed as a result of the audit, Supplier shall remit payment of any such

Administrative Fees, together with interest thereon in accordance with Section 5.5, to P.P.P. within fifteen (15) calendar days of Supplier's receipt of the audit results.

5.4 Usage Reporting. Within thirty (30) days of the end of each contract year, Supplier shall deliver to P.P.P. an electronic usage report of all sales under the Master Agreement, including:

Supplier's Product Number

Product Description

Manufacturer Name

Manufacturer Number

Unit of Measure

P.P.P. Price

Number of times ordered

Units Sold

Sales by Manufacturer

5.5 Supplier's Failure to Provide Reports or Pay Administrative Fees. Failure to provide a Sales Report or pay Administrative Fees within the time and in the manner specified herein shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Supplier, shall be deemed a cause for termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at P.P.P.'s sole discretion. All Administrative Fees not paid within thirty (30) days of the end of the previous calendar month shall bear interest at the rate of one and one-half percent (1.5%) per month until paid in full.

ARTICLE 6

INDEMNITY

6.1 Indemnity. Supplier hereby agrees to indemnify and defend P.P.P. and its parent companies, subsidiaries, affiliates, shareholders, member, manager, officers, directors, employees, agents, and representatives from and against any and all claims, costs, proceedings, demands, losses, damages, and expenses (including, without limitation, reasonable attorney's fees and legal costs) of any kind or nature, arising from or relating to, (i) the acts or omissions of Supplier in connection with this Agreement and the Master Agreement, (ii) any actual or alleged breach of any of Supplier's representations, warranties, or covenants in this Agreement, and (iii) the use of any Supplier Content, including copyright infringement claims related thereto.

ARTICLE 7

The parties acknowledge that this Agreement has been negotiated and incorporates their collective agreement as to the provisions to be contained herein. Therefore, no presumption will arise giving benefit of interpretation by virtue of authorship of any provision of this Agreement, and any ambiguity may not be construed for or against any Party.

7.2 Assignment.

(a) Supplier. Neither this Agreement nor any rights or obligations hereunder shall be assignable by Supplier without prior written consent of P.P.P., and any assignment without such consent shall be void.

(b) P.P.P. This Agreement and any rights or obligations hereunder may be assigned by P.P.P. in P.P.P.'s sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform P.P.P.'s obligations hereunder.

7.3 Notices. All notices, claims, certificates, requests, demands, and other communications required or permitted hereunder must be in writing and will be deemed given to the addresses set forth herein (a) when delivered personally to the recipient, (b) upon delivery by reputable overnight courier service (charges prepaid), or (c) upon delivery or refusal of delivery by certified or registered mail, return receipt requested, and addressed to the intended recipient. The Parties agree that day-to-day business communications, including notification of a change of address, may be made via electronic communication, including email.

7.4 Severability. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

7.5 Waiver. Any failure of a party to enforce, for any period of time, any of the provisions under this Agreement shall not be construed as a waiver of such provisions or of the right of said party thereafter to enforce each and every provision under this Agreement.

7.6 Independent Contractors. In the performance of this Agreement, Supplier shall be an independent contractor to P.P.P., and shall not be or act as, or be deemed to otherwise be an agent, employee, or representative of P.P.P. Supplier's employees will not be deemed to be P.P.P. employees. P.P.P.'s employees will not be deemed to be Supplier's employees. No partnership, joint venture, or other relationship between the parties is created hereby.

7.7 Counterparts; Electronic Signatures. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. 7.8 Modifications. This Agreement may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the parties hereto.

7.9 Governing Law; Arbitration. This Agreement will be governed by and interpreted in accordance with the laws of the State of Delaware without regard to any conflict of laws principles. Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this dispute resolution clause, shall be determined by arbitration in the District of Columbia, before one (1) arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. The prevailing party will be entitled to recover its reasonable attorneys' fees and arbitration costs from the other party. The arbitration award shall be final and binding. Each party commits that prior to commencement of arbitration proceedings, the parties shall submit the dispute to JAMS for mediation. The parties will cooperate with JAMS and with one another in selecting a mediator from JAMS panel of neutrals, and in promptly scheduling the mediation proceedings. The parties covenant that they will participate in the mediation in good faith, and that they will share equally in its costs. APPENDIX 3 SUPPLIER COMMITMENTS

The foundation of the partnership requires commitments from both Public Promise Procurement and the Supplier. Awarded Suppliers will commit, at the highest level of the organization, to the Corporate, Engagement, Pricing, and Sales & Marketing Commitments outlined in this paragraph.

A. Corporate Commitment to the Master Agreement

Public Promise Procurement views the Master Agreement and the relationship with the awarded Supplier as an opportunity to provide maximum benefit to Participating Public Agency and to the Supplier.

- i. The Supplier will demonstrate in their proposal, and throughout the term of the Master Agreement, their senior executive management's active support of the program and commitment to the Master Agreement.
- ii. The Master Agreement will, for the entire period of the agreement, be Supplier's leading contractual offering of the awarded Products and Services to all eligible entities.
- iii. Supplier's sales force (including outside, inside, direct and or authorized dealers, distributors and representatives) will always present the Master Agreement when marketing Products and Services to eligible entities.
- iv. Supplier will advise existing eligible entity customers of the value offered through the Master Agreement and when authorized, will transition them to the Master Agreement and upon authorization by a Participating Public Agency, Supplier will transition such Agency to the pricing, terms and conditions of the Master Agreement.
- v. Supplier will provide a senior management level representative with the authority and responsibility to ensure corporate compliance with these commitments at all times.
- vi. Supplier will provide the personnel necessary to implement and support a supplier-based internet web page dedicated to the Supplier's Public Promise Procurement program in collaboration with Public Promise Procurement.

B. Engagement with Public Agencies

- i. Suppliers must directly engage with public agencies concerning the Master Agreement and the placement of orders, purchase orders, invoicing and payment. Each Public Agency Participant enters into a MICPA which outlines the terms and conditions that allow access to the Lead Public Agency Master Agreement(s). See Paragraph 4 above.
- ii. Supplier will designate a lead referral contact person who will be responsible for receiving communications from Public Promise Procurement concerning Participating Public Agencies and for ensuring timely follow-up.

- iii. Where Supplier has an existing contract for products and services covered under the Master Agreement(s) that a Participating Public Agency has access to, Supplier will notify the existing contracting agency of the Master Agreement and transition the agency to the pricing, terms and conditions of the Master Agreement upon the agency's request.

C. Pricing Commitment

- i. Supplier represents that the pricing offered under the Master Agreement is equal to or lower than the lowest overall pricing (net to purchase) on Products and Services that it offers to public agencies in current market conditions. Supplier's pricing will be evaluated on an overall project basis, on the public agency's actual usage for purchased Products and Services, and/or on Supplier proposed pricing under the Master Agreement.
- ii. If a pre-existing contract awarded in current market conditions and/or Public Agency Participant's unique buying pattern provides one or more eligible public agency a lower price than that offered under the Master Agreement, Supplier will match that lower pricing under the Master Agreement and inform Participating Public Agency that the lower pricing is available under the Master Agreement. The price match only applies to eligible Participating Public Agency. The following are examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower pricing.
 - a. Supplier holds a state contract with lower pricing that is available to all public agencies within the state. The contract was awarded under current market conditions. Supplier is required to match the lower state pricing under the Master Agreement and make it available to all eligible Participating Public Agency within the state.
 - b. Supplier holds a regional cooperative contract with lower pricing that is available only to the regional cooperative members. The contract was awarded under current market conditions. Supplier is required to match the lower cooperative pricing under the Master Agreement and make it available to the regional cooperative members.
 - c. Supplier holds a contract with an individual Public Agency Participant that does not contain cooperative language making it available only to the contracting agency. The contract was awarded under current market conditions. Supplier is required to match the lower pricing under the Master Agreement and make it available only to the contracting Public Agency Participant.
- iii. While the objective of the Master Agreement to allow all eligible Participating Public Agencies to piggyback on the Agreement rather than issue their own solicitation, Public Promise Procurement recognizes that for a variety of reasons eligible Participating Public Agencies will issue their own solicitations. The following are options available to Suppliers for responding to a Public Agency Participant solicitation.

- a. Supplier may opt not to respond to the solicitation.
- b. Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded a contract, the sales under such contract will be reported as sales under the Master Agreement.
- c. If competitive conditions require pricing lower than that offered under the Master Agreement and the resulting contract is only available to the contracting agency (no cooperative language is contained in the contract), Supplier may submit lower pricing. If Supplier is awarded a contract, the sales under such contract will be reported as sales under the Master Agreement. Supplier would not be required to extend the lower pricing to other Participating Public Agency.
- d. Supplier may respond with pricing that is higher than the Master Agreement and, if permitted, Supplier may provide an alternative proposal with pricing in accordance with the Master Agreement. If a contract is awarded based on the alternative proposal, sales under the awarded contract will be reported as sales under the Master Agreement.

D. Sales & Marketing Commitment

- i. Supplier will market the Master Agreement through its trained and engaged sales force and/or dealer network as its leading offering to eligible Participating Public Agency. Supplier's sales force and/or dealer network compensation and incentives will be greater than or equal to the compensation and incentives earned under other contracts to public agencies.
- ii. Supplier will be responsible for proactive sales of Supplier's Products and Services to eligible Participating Public Agencies and the timely follow-up sales leads identified by Public Promise Procurement.
- iii. Supplier will collaborate with Public Promise Procurement's personnel to conduct training on the Master Agreement and Public Promise Procurement. They will also collaborate on the use of tools to facilitate marketing and sales to government entities.
- iv. Supplier will develop and/or maintain a web presence and internet capabilities support marketing and sales to eligible Participating Public Agency.
- v. Supplier will report all sales under the Master Agreement and other transactions described herein to Public Promise Procurement in accordance with the Administrative Agreement.
- vi. Supplier will make transaction details of all sales under the Master Agreement and other transactions described herein to third party auditors at the request of Public Promise Procurement, the Lead Public Agency and/or a Participating Public Agency.
- vii. Supplier shall be responsible for complying with the Public Promise Procurement branding and logos standards and guidelines. Prior to use by Supplier, all Public Promise Procurement related marketing material must be submitted to Public Promise Procurement for review and approval.

E. Performance Reviews

Supplier will participate in periodic performance review meetings with Public Promise Procurement and, when available, the Lead Public Agency.

F. Administrative Agreement

- i. Suppliers that are awarded a contract by the Lead Public Agency and whose Master Agreement Public Promise Procurement agrees to make available to Participating Public Agencies must enter into an Administrative Agreement with Public Promise Procurement. Refer to Appendix 2.

Suppliers shall return, with their proposal, a signed Administrative Agreement as presented herein (Appendix 2).

CONSTRUCTION CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program, may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B, and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers

EXHIBIT B (Cont.)

provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active “card carrying” members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

(A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:

(1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

(2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;

(3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

EXHIBIT B (Cont.)

- (4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;
- (5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;
- (6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:
 - (i) The contractor or subcontractor shall interview the referred minority or women worker.
 - (ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.
 - (iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.
 - (iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.
- (7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

EXHIBIT B (Cont.)

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7. The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program, and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women.

(D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

**ARTICLE 10 ADDITIONAL MANDATORY CONSTRUCTION
CONTRACT LANGUAGE FOR STATE AGENCIES, INDEPENDENT
AUTHORITIES, COLLEGES AND UNIVERSITIES ONLY**

Executive Order 51 (Corzine, August 28, 2009) and P.L.2009, c.335 include a provision which require all state agencies, independent authorities and colleges and universities to include additional mandatory equal employment and affirmative action language in its construction contracts. It is important to note that this language is in addition to and does not replace the mandatory contract language and good faith efforts requirements for construction contracts required by N.J.A.C. 17:27-3.6, 3.7 and 3.8, also known as Exhibit B. The additional mandatory equal employment and affirmative action language is as follows:

It is the policy of the **[Reporting Agency]** that its contracts should create a workforce that reflects the diversity of the State of New Jersey. Therefore, contractors engaged by the **[Reporting Agency]** to perform under a construction contract shall put forth a good faith effort to engage in recruitment and employment practices that further the goal of fostering equal opportunities to minorities and women.

The contractor must demonstrate to the **[Reporting Agency's]** satisfaction that a good faith effort was made to ensure that minorities and women have been afforded equal opportunity to gain employment under the **[Reporting Agency's]** contract with the contractor. Payment may be withheld from a contractor's contract for failure to comply with these provisions.

Evidence of a "good faith effort" includes, but is not limited to:

1. The Contractor shall recruit prospective employees through the State Job bank website, managed by the Department of Labor and Workforce Development, available online at <http://NJ.gov/JobCentralNJ>;
2. The Contractor shall keep specific records of its efforts, including records of all individuals interviewed and hired, including the specific numbers of minorities and women;
3. The Contractor shall actively solicit and shall provide the **[Reporting Agency]** with proof of solicitations for employment, including but not limited to advertisements in general circulation media, professional service publications and electronic media; and
4. The Contractor shall provide evidence of efforts described at 2 above to the **[Reporting Agency]** no less frequently than once every 12 months.
5. The Contractor shall comply with the requirements set forth at N.J.A.C. 17:27-1.1 et seq.

GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to employ minority and women workers consistent with the applicable county employment goals established in accordance with N.J.A.C. 17:27-5.2, or a binding determination of the applicable county employment goals determined by the Division, pursuant to N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the applicable employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Div. of Contract Compliance & EEO as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Div. of Contract Compliance & EEO for conducting a compliance investigation pursuant to **Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.**

10.1 C.271 POLITICAL CONTRIBUTION DISCLOSURE FORM

(a) Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.

5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

10.2 C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

(a) Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A- 20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): “The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”

Person or Entity

Part 1: Certification

COMPLETE PART 1 BY CHECKING ONE OF THE THREE BOXES BELOW

Pursuant to law, any person or entity that is a successful bidder or proposer, or otherwise proposes to enter into or renew a contract, for goods or services must complete the certification below prior to contract award to attest, under penalty of perjury, that neither the person or entity, nor any parent entity, subsidiary, or affiliate, is identified on the Department of Treasury's Russia-Belarus list or Chapter 25 list as a person or entity engaging in prohibited activities in Russia, Belarus or Iran. Before a contract for goods or services can be amended or extended, a person or entity must certify that neither the person or entity, nor any parent entity, subsidiary, or affiliate, is identified on the Department of Treasury's Russia-Belarus list. Both lists are found on Treasury's website at the following web addresses:

<https://www.nj.gov/treasury/administration/pdf/RussiaBelarusEntityList.pdf>
www.state.nj.us/treasury/purchase/pdf/Chapter25List.pdf

As applicable to the type of contract, the above-referenced lists must be reviewed prior to completing the below certification.

A person or entity unable to make the certification must provide a detailed, accurate, and precise description of the activities of the person or entity, or of a parent entity, subsidiary, or affiliate, engaging in prohibited activities in Russia or Belarus and/or investment activities in Iran. The person or entity must cease engaging in any prohibited activities and provide an updated certification before the contract can be entered into.

If a vendor or contractor is found to be in violation of law, action may be taken as appropriate and as may be provided by law, rule, or contract, including but not limited to imposing sanctions, seeking compliance, recovering damages, declaring the party in default, and seeking debarment or suspension of the party.

CONTRACT AWARDS AND RENEWALS

I certify, pursuant to law, that neither the person or entity listed above, nor any parent entity, subsidiary, or affiliate appears on the N.J. Department of Treasury's lists of entities engaged in prohibited activities in Russia or Belarus pursuant to P.L. 2022, c. 3 or in investment activities in Iran pursuant to P.L. 2012, c. 25 ("Chapter 25 List"). I further certify that I am the person listed above, or I am an officer or representative of the entity listed above and am authorized to make this certification on its behalf. (Skip Part 2 and sign and complete the Certification below.)

CONTRACT AMENDMENTS AND EXTENSIONS

I certify, pursuant to law, that neither the person or entity listed above, nor any parent entity, subsidiary, or affiliate is listed on the N.J. Department of the Treasury’s lists of entities determined to be engaged in prohibited activities in Russia or Belarus pursuant to P.L. 2022, c. 3. I further certify that I am the person listed above, or I am an officer or representative of the entity listed above and am authorized to make this certification on its behalf. (Skip Part 2 and sign and complete the Certification below.)

IF UNABLE TO CERTIFY

I am unable to certify as above because the person or entity and/or a parent entity, subsidiary, or affiliate is listed on the Department's Russia-Belarus list and/or Chapter 25 Iran list. I will provide a detailed, accurate, and precise description of the activities as directed in Part 2 below, and sign and complete the Certification below. Failure to provide such will prevent the award of the contract to the person or entity, and appropriate penalties, fines, and/or sanctions will be assessed as provided by law.

Part 2: Additional Information

PLEASE PROVIDE FURTHER INFORMATION RELATED TO PROHIBITED ACTIVITIES IN RUSSIA OR BELARUS AND/OR INVESTMENT ACTIVITIES IN IRAN.

Cobb County General Instructions for Proposers, Terms and Conditions

I. Preparation of Proposals

Each proposer shall examine the drawings, specifications, schedule and all instructions. Failure to do so will be at the proposer's risk, as the proposer will be held accountable for their proposal response.

Unit price for each quotation shall be shown and such price shall include packing unless otherwise specified, along with a total and grand total where applicable. In case of discrepancy between a unit price and extended price, the unit price will be presumed correct.

Each proposer shall furnish all information required by the proposal form or document. Each proposer shall sign the proposal and print or type his or her name on the schedule. The person signing the proposal must initial erasures or other changes. An authorized agent of the company must sign proposals.

Requests for Proposals (RFP) issued by Cobb County are advertised on the Cobb County Internet site (www.cobbcounty.org/purchasing), and on the Georgia Procurement Registry, and every Friday in the Cobb County legal organ, the Marietta Daily Journal.

II. Delivery

Each proposer should state time of proposed delivery of goods or services. Words such as "immediate", "as soon as possible", etc. shall not be used. The known earliest date or the minimum number of calendar days required after receipt of order (delivery A.R.O.) shall be stated (if calendar days are used, include Saturday, Sunday and holidays in the number).

III. Explanation to Proposers

Any explanation desired by a proposer regarding the meaning or interpretation of the Request for Proposal, drawings, specifications, etc. must be received in writing by **5:00 PM on March 12, 2024** in order for a reply to reach all proposers before the close of the bid. Any information concerning an RFP will be furnished to all prospective proposers as an addendum to the invitation if such information is necessary or if the lack of such information would be prejudicial to uninformed proposers.

Submit questions in writing to:
Cobb County Purchasing Department
122 Waddell Street NE
Marietta, GA 30060
Fax: 770-528-8428
Email: purchasing@cobbcounty.org

The written proposal documents supersede any verbal or written communication between parties. Addenda are posted on the Purchasing web site: www.cobbcounty.org/purchasing Receipt of addenda shall be acknowledged in the submitted proposal. It is the proposer's ultimate responsibility to ensure that they have all applicable addenda prior to bid submittal.

IV. Submission of Proposals

Proposals shall be enclosed in a sealed package, addressed to the Cobb County Purchasing Department with the name and address of the proposer, the date and hour of opening, and the request for proposal number on the face of the package. Telegraphic/faxed proposals will not be considered. Any addenda shall be enclosed in the sealed envelopes as well. **All bids shall be submitted on the Bid Proposal Form. Any revisions made on the outside of the envelope will not be accepted.**

Unsigned proposals will not be considered.

Cobb County is exempt from federal excise tax and Georgia sales tax with regards to goods and services purchased directly by Cobb County. Suppliers and contractors are responsible for federal excise tax and sales tax, including taxes for materials incorporated in county construction projects. Suppliers and contractors should contact the State of Georgia Sales Tax Division for additional information.

Except as otherwise provided by law, information submitted by a proposer in the proposal process shall be subject to disclosure after proposal award in accordance with the Georgia Open Records Act. Proprietary information must be identified with the appropriate affidavit as required by the Georgia Open Records Act. Marking an entire proposal as proprietary will be neither accepted nor honored.

Each Proposer is required to keep the contents of their proposal confidential once it is submitted until the award to the successful Proposer is made. Releasing any information regarding the proposal to third parties or the media prior to the conclusion of the selection process will be immediate grounds for the County to reject the proposal as non-responsive.

V. Withdraw Proposal Due to Error

The proposer shall give notice in writing of his claim of right to withdraw his proposal without penalty due to an error within two (2) business days (48 hours) after the conclusion of the proposal opening. Proposals may be withdrawn from consideration if the price was substantially lower than the other proposals due solely to a mistake therein, provided the proposal was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of the proposal, which unintentional arithmetic or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the proposal sought to be withdrawn. The proposer's original work papers shall be the sole acceptable evidence of error and mistake if he elects to withdraw his proposal. If a proposal is withdrawn under the authority of this provision, the lowest remaining responsive proposal shall be deemed to be low proposal. Proposal withdrawal is not automatically granted and will be allowed solely at the discretion of Cobb County.

No proposer who is permitted to withdraw a proposal shall, for compensation, supply any material or labor or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn proposal was submitted.

VI. F.O.B. Point

Unless otherwise stated in the request for proposal and any resulting contract, or unless qualified by the proposer, items shall be shipped F.O.B. Destination. The seller shall retain title for the risk of transportation, including the filing for loss or damages. The invoice covering the items is not payable until the items are delivered and the contract of carriage has been completed. Unless the F.O.B. clause states otherwise, the seller assumes transportation and related charges either by payment or allowance.

VII. Patent Indemnity

The contractor guarantees to hold the County, its agents, officers or employees harmless from liability of any nature or kind for use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, articles or appliances furnished or used in the performance of the contract, for which the contractor is not the patentee, assignee or licensee.

VIII. Bid, Payment & Performance Bonds – Not Required

IX. Insurance

A. Requirement:

Contractor shall procure and maintain in full force and effect for the duration of this Agreement, insurance protecting against claims for injuries to persons or damages to property which may arise from or in connection with performance of the Work hereunder by the Contractor, his agents, representatives, employees, or subcontractors.

B. Minimum Limits of Insurance:

Contractor shall maintain insurance policies with coverage and limits no less than:

- i. Commercial General Liability: \$1,000,000 combined single limit per occurrence for comprehensive coverage including bodily and personal injury, sickness, disease or death, injury to or destruction of property, including loss of use resulting therefrom, damage for premises/operations, products/completed operations, independent contractors and contractual liability (specifically covering the indemnity), broad-from property damage, and underground, explosion and collapse hazard. This coverage may be achieved by using an excess or umbrella policy. The policy or policies must be on “an occurrence” basis (“claims made” coverage is not acceptable).
- ii. Commercial Automobile Liability (owned, non-owned and hired): \$1,000,000 combined single limit per occurrence and for bodily and personal injury, sickness, disease or death, injury to or destruction of property, including loss of use resulting therefrom.
- iii. Workers' Compensation and Employers Liability: Workers' Compensation limits as required by the State of Georgia and Employers Liability of \$1,000,000 per occurrence or disease.
- iv. Professional Liability (Errors and Omissions) Coverage: \$2,000,000 per claim and in the aggregate is required, in the event a contractor is performing design, engineering or other professional services.

-
- v. Commercial Umbrella or Excess Liability Coverage: \$2,000,000 in liability excess coverage per occurrence above the contracts stated minimum coverage limits for Commercial General Liability, Commercial Automobile Liability, and the Workers' Compensation and Employers Liability policies of insurance. This may be satisfied by having the underlying liability limits that equal or exceed the combined amount of the underlying liability limits and umbrella coverage.
 - vi. Builder's "All Risk" Insurance: In the event Contractor is performing construction services under the Contract, Contractor shall procure and maintain "All-Risk" Builder's insurance, written on a commercially recognized policy form, providing coverage for the Work performed under the contract, and the materials, equipment or other items incorporated therein, while the same are located at the construction site, stored off-site, or at the place of manufacture. The policy limit shall be in a minimum amount equal to the "full insurable value" of such equipment and 100% of the value of the Contract, including any additional costs which are normally insured under such policy. The insurance coverage shall include boiler and machinery insurance on a comprehensive basis and include coverage against damage or loss caused by earth movement (including but not limited to earthquake, landslide, subsidence and volcanic eruption), fire, flood, hurricanes, explosion, hail, lightning, weather, vandalism, malicious mischief, wind, collapse, riot, aircraft, smoke, or other cataclysmic events, and coverage against damage or loss caused by machinery accidents and operational and performance testing, commissioning and start-up, with extended coverage, and providing coverage for transit, with sub-limits sufficient to insure the full replacement value of the property or equipment removed from its site and while located away from its site until the date of final acceptance of the Work.

The making of progress payments to the Contractor shall not be construed as relieving the Contractor or its subcontractors or insurance carriers providing the coverage described herein for responsibility for loss or direct physical loss, damage or destruction occurring prior to final acceptance of the Work.

C. Deductibles and Self-Insured Retention

Any deductibles or self-insurance retentions must be declared to and approved by Owner so that Owner may ensure the financial solvency of the Contractor. At the option of Owner, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects Owner, its officers, officials, and employees; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses. Contractor shall pay all deductibles and be liable for all claims, losses and damages for which it self-insures.

D. Other Insurance Provisions

The policies are to contain, or be endorsed to contain, the following provisions:

- i. General Liability, Automobile Liability, and Umbrella/Excess Insurance
 - (a) Additional Insured Requirement. Cobb County, its elected and appointed officials, officers, boards, commissions, officers, employees, representatives,

servants, volunteers and agents (hereinafter referred to as “Insured Party” or “Insured Parties”) are to be **covered as additional insureds** as respects: liability arising out of activities performed by or on behalf of the Contractor; products and completed operations of the Contractor, premises owned, leased, or used by the Contractor; and automobiles owned, leased, hired, or borrowed by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to the Insured Parties. Nothing contained in this section shall be construed to require the Contractor to provide liability insurance coverage to the any Insured Party for claims asserted against such Insured Party for its sole negligence.

- (b) **Primary Insurance Requirement.** The Contractor's insurance coverage shall be primary and noncontributing insurance as respects to any other insurance or self-insurance available to the Insured Parties. Any insurance or self-insurance maintained by the Insured Parties shall be in excess of the Contractor's insurance and shall not contribute with it.
- (c) **Reporting Requirement.** Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the Insured Parties.
- (d) **Separate Coverage.** Coverage shall state that the Contractor's insurance shall apply separately to each Insured Party against whom claim is made or suit is brought.
- (e) **Defense Costs/Cross Liability.** Coverage shall be provided on a “pay on behalf” basis, with defense costs payable in addition to policy limits. There shall be no cross liability exclusion.

E. Workers' Compensation and Employers Liability Coverage

The Contractor shall have and maintain in full force and effect for the duration of this Agreement, insurance protecting against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the Work by the Contractor, its agents, representatives, employees or subcontractors. The insurer shall agree to waive all rights of subrogation against Owner, and its officers, officials, employees and volunteers for losses arising from the work performed by the Contractor for Owner.

F. Waiver of Subrogation

The insurers shall agree under each policy of insurance required by this Contract to waive all rights of subrogation against the Insured Parties for losses arising from work performed by the Contractor for Owner.

G. All Coverages

- (i) **Notice Requirement.**

Each insurance policy required by this Contract shall be endorsed to state that coverage shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been

given to Owner, in care of the Cobb County *insert department name and address*. Owner reserves the right to accept alternate notice terms and provisions provided they meet the minimum requirements under Georgia law.

(ii) Acceptability.

The insurance to be maintained by Contractor must be issued by a company licensed or approved by the Insurance Commissioner to transact business in the State of Georgia. Such insurance shall be placed with insurers with a Best's Policyholder's Rating of "A" or better and with a financial rating of Class VII or greater, or be otherwise acceptable to Cobb County. All policies shall be subject to approval by Cobb County as to form and content.

(iii) Failure of Insurers.

The Contractor shall be responsible for any delay resulting from the failure of any insurer to furnish proof of coverage in the prescribed form

Additionally, the declarations page for each insurance policy listed on the certificate of insurance shall be submitted to Owner. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements shall be received and approved by Owner before any work commences. Owner reserves the right to require complete, certified copies of all required insurance policies at any time. The contractor shall provide proof that any expiring coverage has been renewed or replaced prior to the expiration of the coverage

I. Subcontractors

Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverage for subcontractors shall be subject to all of the requirements stated in this Agreement, including, but not limited to, naming the Insured Parties as additional insureds.

X. Award

Award will be made to the highest scoring responsive and responsible proposer according to the criteria stated in the proposal documents and only after approval of the County Board of Commissioners. Award will be made in writing to the successful proposer. The County may make such investigations or obtain such clarifications as it deems necessary to determine the ability of the proposer to perform, and the proposer shall furnish to the County all such information and data for this purpose as the County may request. The County reserves the right to reject any proposal if the evidence submitted by, or investigations of such proposer fails to satisfy the County that such proposer is properly qualified to carry out the obligations of the contract.

The County reserves the right to reject or accept any or all proposals for any reason and to waive technicalities, informalities and minor irregularities in the proposals received in the County's sole discretion and best interest. The County reserves the right to make an award as deemed in its best interest which may include awarding a proposal to a single proposer or multiple proposers; or to award the whole proposal, only part of the proposal, or none of the proposal to single or multiple proposers, based on its sole discretion of its best interest.

Time payment discounts will be considered in arriving at net prices and in award of proposal.

It is the intent of Cobb County Government to award all contracts in a manner that promotes fair, equitable treatment of all contractors and sub-contractors without regard to race, color, creed, national origin, gender, age, or disability.

XI. County Furnished Property

The County will furnish no material, labor or facilities unless so provided in the RFP.

XII. Rejection of Proposals

Failure to observe any of the instructions or conditions in this request for proposal may constitute grounds for rejection of proposal.

XIII. Contract

Upon submitting a proposal in response to an RFP containing a Cobb County Sample Contract as part of the requirements, it is understood that the proposer has reviewed the documents with the understanding that Cobb County requires that the successful proposer(s) shall enter into a contract that is substantially the same as the Sample Contract unless modified by agreement of the parties. If any exceptions are taken to any part of the Sample Contract, each exception must be stated in detail and submitted as part of the proposal document. If no exceptions are stated, it is assumed that the proposer fully agrees to the Sample Contract in its entirety. The foregoing should not be interpreted to prohibit either party from proposing additional contract terms and conditions during negotiation of the final contract, and the County reserves the right to make changes to the Sample Contract. In no event is a proposer to submit its own standard contract terms and conditions as a response to this RFP.

Each proposal is received with the understanding that selection as the successful proposer by the County does not constitute a written contract between the successful proposer and the County, but shall bind the proposer on his part to furnish and deliver the articles quoted at the prices stated in accordance with the conditions of said accepted proposal upon execution of a written contract with the County authorized by the County Board of Commissioners and signed by the Chairman. Once a contract is executed by the proper authorities for each party, the County, on its part, may order from such contractor, and except for cause beyond reasonable control, pay for, at the agreed prices, all articles specified and delivered.

XIV. Delivery Failures

Failure of a contractor to deliver within the time specified or within reasonable time as interpreted by the Purchasing Director, or failure to make replacements of rejected articles/services when so requested, immediately or as directed by the Purchasing Director, shall constitute authority for the

Purchasing Director to purchase in the open market or rebid for articles/services of comparable grade to replace the articles/services rejected or not delivered. On all such purchases, the contractor shall reimburse the County within a reasonable time specified by the Purchasing Director for any expense incurred in excess of contract prices, or the County shall have the right to deduct such an amount from monies owed the defaulting contractor. Alternatively, the County may penalize the contractor one percent (1%) per day for a period of up to ten (10) days for each day that delivery or replacement is late. Should public necessity demand it, the County reserves the right to use or consume articles/services delivered which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Director.

XV. Non-Collusion

By submission of a proposal, the proposer certifies, under penalty of perjury, that to the best of its knowledge and belief:

- (a) The prices in the proposal have been arrived at independently without collusion, consultation, communications, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other vendor or with any competitor.
- (b) Unless otherwise required by law, the prices which have been quoted in the proposal have not been knowingly disclosed by the proposer prior to opening, directly or indirectly, to any other proposer or to any competitor
- (c) No attempt has been made, or will be made, by the proposer to induce any other person, partnership or corporation to submit or not to submit a proposal for the purpose of restricting competition.

Collusion and fraud in bid preparation shall be reported to the State of Georgia Attorney General and the United States Justice Department.

XVI. Conflict of Interest, Etc.

By submission of a proposal, the proposer certifies, under penalty of perjury, that to the best of its knowledge and belief:

1. No circumstances exist which cause a Conflict of Interest in performing the services required by this RFP, and
2. That no employee of the County, nor any member thereof, nor any public agency or official affected by this RFP, has any pecuniary interest in the business of the responding firm or his sub-consultant(s) has any interest that would conflict in any manner or degree with the performance related to this RFP.

The responding firm also warrants that he and his sub-consultant(s) have not employed or retained any company or person other than a bona fide employee working solely for the responding firm or sub-consultant(s) to solicit or secure a contract agreement with Cobb County, as related to this RFP, and that he and his sub-consultant(s) have not paid or agreed to pay any person, company, corporation, individual, or firm other than a bona fide employee working solely for the responding firm or his sub-consultant(s) any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award of this Agreement.

For any breach or violation of this provision, the County shall have the right to terminate any related contract or agreement without liability and at its discretion to deduct from the price, or otherwise recover, the full amount of such fee, commission, percentage, gift, payment or consideration.

The successful responding firm shall require each of its sub-consultant(s) to sign a statement certifying to and agreeing to comply with the terms of the subsections above.

XVII. Default

The contract may be cancelled or annulled by the Purchasing Director in whole or in part by written notice of default to the contractor upon non-performance or violation of any contract term. An award may be made to the next highest rated responsive and responsible proposer, or articles specified may be purchased on the open market similar to those terminated or the County may issue a new Request for Proposal. In any event, the defaulting contractor (or his surety) shall be liable to the County for costs to the County in excess of the defaulted contract prices; provided, however, that the contractor shall continue the performance of this contract to the extent not terminated under the provisions of this clause. Failure of the contractor to deliver materials or services within the time stipulated on its proposal, unless extended in writing by the Purchasing Director, shall constitute contract default.

XVIII. Disputes

Except as otherwise provided in the contract documents, any dispute concerning a question of fact arising under the contract which is not disposed of shall be decided after a hearing by the Purchasing Director who shall reduce his/her decision to writing and mail or otherwise furnish a copy thereof to the contractor. The decision of the Purchasing Director shall be final and binding, however, the contractor shall have the right to appeal said decision to a court of competent jurisdiction.

XIX. Substitutions

Proposers offering and quoting on substitutions or who are deviating from the attached specifications shall list such deviations on a separate sheet to be submitted with their proposal. The absence of such a substitution list shall indicate that the proposer has taken no exception to the specifications contained therein.

XX. Ineligible Proposers

The County may choose not to accept the proposal of one who is in default on the payment of taxes, licenses or other monies owed to the County. Failure to respond three (3) consecutive times for any given commodity may result in removal from the list under that commodity.

XXI. General Information

Sealed proposals, with original signatures, will be accepted by the County Purchasing Department at the time, place, and date specified. One (1) original, one (1) copy and five (5) flash drives of the proposal must be submitted, complete with a cover letter signed by an official within the organization who has authority over project negotiation.

These proposals must be in accordance with the purposes, conditions, and instructions provided in this RFP. The Cobb County Board of Commissioners assumes no responsibility for proposals received after the submission time, whether due to mail delays or any other reason. Proposals received after the submission time will be filed unopened and considered non-responsive.

As previously stated under IV, unsigned proposals will not be considered.

Cobb County reserves the right to retain all proposals submitted, and to use any idea in any proposal regardless of whether that proposal is selected. All work performed by the successful respondent shall be performed in compliance with the Americans With Disabilities Act.

XXII. Uniformity of Proposal

To facilitate comparative analysis and evaluation of proposals it is desired that a uniform format be employed in structuring each proposal. The respondent's degree of compliance with the requirements of the RFP will be a factor in the subsequent point-based evaluation of the proposal. Proposals with major deviations or omissions may not be considered for detailed study. Proposals will become part of the contract with Cobb County should they be selected under the RFP.

XXIII. Request Additional Information

Inquiries that must be answered in regards to the Proposal procedures or technical matters must be submitted in writing via U.S. Mail or facsimile or email to:

XXIV. Firm Prices

Prices quoted by proposal shall be firm and best prices. Prices quoted must be valid for a minimum of ninety (90) days from the date of bid opening.

XXV. Proposal/Presentation Costs

The cost for developing a proposal will be borne by the respondent. Cobb County is not liable for any costs incurred by the respondent in preparation and/or presentation of proposals in response to this RFP or for travel and other costs related to this RFP.

XXVI. Proposal Format

Presentation of the relevant information is at the discretion of the respondent; however, the proposal must address all items identified in Section Titled, Proposal Requirements. To assist in the evaluation of proposals resulting from the RFP, it is recommended that each proposal be written in a concise and forthright manner and that unnecessary marketing statement and materials be avoided.

XXVII. Indemnification

By submitting a Proposal, the Proposer hereby agrees to indemnify, defend and hold harmless the County, its departments, employees and the Board of Commissioners from and against any and all claims, demands, liabilities, losses, costs or expenses, including attorneys' fees, due to liability to a third party or parties, for any loss due to bodily injury (including death), personal injury, and property damage, including but not limited to intellectual property claims, arising directly or indirectly from the submission of the Proposal hereunder, but only to the extent such claims are caused by the negligence, recklessness or intentionally wrongful conduct of the Proposer or its agents, employees, associates, subcontractors or others working at the direction of Proposer. This indemnification obligation survives beyond the submission date of the Proposal and the dissolution or, to the extent allowed by law, the bankruptcy of the Proposer.

XXVIII. Indemnification/Hold Harmless

The Contractor covenants and agrees to take and assume all responsibility for the Work rendered in connection with this Agreement. The Contractor shall bear all losses and damages directly or indirectly resulting to it on account of the performance or character of the Work rendered pursuant to this Agreement. To the fullest extent permitted by law, the Contractor shall defend, indemnify and hold harmless the County and the County's elected and appointed officials, officers, boards, commissions, employees, representatives, consultants, servants, agents and volunteers (individually an "Indemnified Party" and collectively the "Indemnified Parties") from and against any and all claims, suits, actions, judgments, injuries, damages, losses, expenses, and liability of any kind whatsoever, including but not limited to attorneys' fees and other legal expenses, ("Liabilities") to the extent caused by or resulting from negligence, recklessness, or intentionally wrongful conduct arising out of the Work, performance of contracted services, or operations by Contractor, any subcontractor, anyone directly or indirectly employed by the Contractor or subcontractor or anyone for whose acts the Contractor or subcontractor may be liable, regardless of whether or not the negligent act or omission is caused in part by a party indemnified hereunder. This indemnity obligation does not include Liabilities caused by or resulting from the sole negligence of an Indemnified Party. Such obligation shall not be construed to negate, abridge or otherwise reduce other rights or obligations of indemnity which would otherwise exist as to the party or person described in this Section XXVII.

In any and all claims against an Indemnified Party or Indemnified Parties by an employee of the Contractor, its subcontractors, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under this Section XXVII shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for the Contractor, or its subcontractors, under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts.

This obligation to indemnify, defend and hold harmless the Indemnified Party and Indemnified Parties shall survive the expiration or termination of this Agreement provided that the claims are based upon or arise out of acts or omissions that occurred during the performance of this Agreement.

XXIX. Confidentiality

Contractor acknowledges that it may receive confidential information of the County and that it will protect the confidentiality of any such confidential information and will require any of its subcontractors, contractors, and/or staff to likewise protect such confidential information. The Contractor agrees that confidential information it receives or such reports, information, opinions, or conclusions that Contractor creates under this Agreement shall not be made available to, or discussed with, any individual or organization, including the news media, without prior written approval of the County. Contractor shall exercise reasonable precautions to prevent the unauthorized disclosure and use of County information whether specifically deemed confidential or not.

Contractor acknowledges that the County's disclosure of documentation is governed by Georgia's Open Records Act, and Contractor further acknowledges that, if Contractor submits records containing trade secret information and if Contractor wishes to keep such records confidential, Contractor must submit and attach to such records an affidavit affirmatively declaring that specific information in the records constitutes trade secrets pursuant to Article 27 of Chapter 1 of Title 10, and the Parties shall follow the requirements of O.C.G.A. § 50-18-72(a)(34) related thereto.

3. Evaluation Criteria

The County will use a specific set of criteria for the qualitative evaluation of competitive proposals. The structure of the evaluation will be to assign points to each response in a number of categories. **A non-response to a specific category will result in no points being awarded for that category.** Final rankings will be based on a combination of price (where applicable) and qualitative factors.

The evaluation by any Selection Committee will be based on the criteria listed on Page 11.

All proposal requirements must be met, or capable of being met by the responding firm or the proposal will be disqualified as non-responsive. It is extremely important that project schedules are met. Only those firms or teams with the necessary

The contract shall automatically renew for each of the remaining calendar years provided for in the contract, unless positive action is taken by Cobb County to terminate such contract, and the nature of such action shall be written notice provided to the consulting firm within sixty (60) days before the end of the initial year of the contract or each succeeding remaining calendar year.

This contract shall terminate immediately and absolutely at such time as appropriated and otherwise unobligated funds are no longer available to satisfy the obligations of Cobb County under this contract.

XXXIII. Termination for Convenience

The County, by written notice, may terminate this contract, in whole or in part, when it is in the County's interest. If this contract is terminated, the County shall be liable only for goods or services delivered or accepted. The County Notice of Termination may provide the contractor thirty (30) days prior notice before it becomes effective.
